To Whom It May Concern:

This is in response to your recent request for a letter of recommendation for Florida Terrazzo who has been a loyal customer of 84 Lumber for the last 18 months.

By effectively managing subcontractors and material shipments they continue to excel in the building industry. Throughout the life of the relationship there has not been a month where Florida Terrazzo was late on a payment. With this consistency Florida terrazzo has become one of the leaders in the Orlando building industry.

Florida Terrazzo's native intelligence for building is an industry leader. They have the ability to see complex projects through to completion guiding teams and clients through the building process on time and within budget. They have a level of commitment and professionalism to be leaders through integrity and steadfast aspiration.

Sincerely:
